REVISED CUSTOMER DISCONTINUANCE NOTIFICATION

AMERICAN LONG LINES, INC. and PAETEC COMMUNICATIONS, INC.
"Passionate About Quality"

November 10, 2005

Dear Valued American Long Lines Customer

American Long Lines, Inc. ("AMLL") and PAETEC Communications, Inc. ("PAETEC") are passionate about bringing you, our valued customer, quality services. AMLL became an affiliate of PAETEC in February 2005. PAETEC, a privately held company, has been providing an enhanced suite of communication services to customers since 1998. With an unwavering commitment to quality, PAETEC now serves more than 11,000 medium and large-sized business customers throughout the United States.

AMLL and PAETEC are now combining their operations in order to maximize the benefits that we may bring to you. The result will be a single company, PAETEC. PAETEC will continue providing the services you currently receive from AMLL. PAETEC will begin invoicing for your current services on or about January 1, 2006, pending all necessary regulatory approvals.

AMLL and PAETEC will work to ensure that the transfer of your services to PAETEC is seamless. Your current services will continue to be provided under the same rates, terms and conditions that you currently enjoy with AMLL. Any future changes in rates, terms and conditions of service will be provided to you as required by Tennessee law. PAETEC will provide a thirty (30) day written notice for any changes that may occur up to ninety (90) days after the merger is complete, however, no changes are anticipated. PAETEC will be responsible for handling any questions or issues prior to and during the transfer. PAETEC will also be responsible for any carrier change charges that may be associated with the transfer. If you have placed a "freeze" on the current services, the freeze will be lifted (if needed) and your services will be transferred to PAETEC. As the service subscriber you must contact your local service provider if such provider is not PAETEC, to re-establish freeze protection for your services after the date of final transfer.

As always, you have the right to choose a different carrier for your services. If you do take steps to transfer your service to a different carrier you will need to make sure that the new service is ordered and provisioned no later than December 10, 2005. Please note, that choosing to terminate services may result in early termination charges being assessed per your AMLL contract. If you are a customer of AMLL on the date of the transfer and you have not informed AMLL that you have made arrangements to switch to a carrier other than PAETEC, your services will automatically be transferred to PAETEC.

AMLL and PAETEC are passionate about quality and committed to providing you with outstanding customer service, as well as an enhanced suite of products aimed to meet all of your communications needs. We look forward to continuing the mutually beneficial relationship that you have built with AMLL. If you have any questions, please do not hesitate to contact your AMLL account team or PAETEC to learn more about the company and the service offerings. Please call us toll free at 1-800-922-7730 or visit the PAETEC website at www.paetec.com.

Cordially,

Doug Derstine
